LEGAL STANDARDS

California Insurance Code section 1861.10 states in relevant part:

(a) Any person may initiate or intervene in any proceeding permitted or established pursuant to this chapter, challenge any action of the commissioner under this article and enforce any provision of the article.

(b) The commissioner or a court shall award reasonable advocacy and witness fees and expenses to any person who demonstrates that (1) the person represents the interests of consumers, and (2) that he or she has made a substantial contribution to the adoption of an order, regulation or decision by the Commissioner or a court.

CCR §2662.2 sets out the procedure by which intervenors are deemed eligible to seek compensation:

(a) A person or group representing the interests of consumers may provide to the Public Advisor a request for finding of eligibility to seek compensation. The request shall be verified and may be verified by the intervenor's or participant's attorney and shall be submitted, at any time, in conjunction with an ongoing proceeding in which the individual or organization seeks to intervene. The request shall comply with sections 2652.1-2652.4 of this subchapter and shall include:

(1) a showing by the intervenor or participant that it represents the interests of consumers, including a description of the previous work of the intervenor or participant; and,

(2) in the case of groups representing the interests of consumers, the request shall include the following as exhibits:

1 (A) a copy of the group's articles of incorporation, by-laws,
2 or (for groups not organized as corporations) other
organizational documents,

3 (B) if the group has members, the approximate number of
4 current members,

5 (C) composition of the group's current Board of Directors –
6 including the name and business address of each director
and/or the name and business address of the principals of
the group if it is not a corporation,

7 (D) newsletter circulation, if any, along with a
8 representative sample of newsletters and/or any other
publication issued by the intervenor in California during the
9 previous twelve (12) months,

10 (E) any annual or year-end report for the prior year,

11 (F) a statement as to whether or not the group has been
12 granted non-profit status under Internal Revenue Code
Section 501(c), and

13 (G) in order to allow a determination whether the group
14 actually does represent the interests of consumers, a
listing, by general category, of the group's funding sources
15 for the prior twenty-four (24) months and the approximate
total percentage of the group's annual budget from each
16 funding category. Each foundation, corporate, business, or
government grant shall be separately listed by name of
17 foundation, corporation, business, or government agency
and amount of grant. For each individual who contributed
18 at least five percent of the group's annual budget, the name
of the individual and the total amount of the annual
contribution shall be separately listed.

19 The Public Advisor may require additional information regarding the
20 request at any time, but not more than twice during any one calendar year
from a given Intervenor or participant.

21 CCR §2661.1 (j) defines representing the interests of consumers as follows:

22 Represents the Interests of Consumers" means that the intervenor
23 represents the interests of individual insurance consumer[s], or the
24 intervenor is a group organized for the purpose of consumer protection as
demonstrated by, but is not limited to, a history of representing consumers
25 in administrative, legislative or judicial proceedings.

26 A party which represents, in whole or in part, any entity regulated by the
27 Commissioner shall not be eligible for compensation. However, nothing in
this subsection shall be construed to prohibit any person from intervening
28 or participating if that person is not seeking compensation.

CCR §2662.2(b) and (c) set deadlines for CDI's review of requests for finding of eligibility.

(b) Within 10 days of receipt of a request for finding of eligibility to seek compensation, the Public Advisor shall review the request for completeness. If the request includes all of the information required by subdivision (a) above, it is complete. If the Public Advisor determines that the request is not complete because it does not include all of the information required by subdivision (a), notice stating the grounds for incompleteness will be given to the person or group who submitted the request within the 10 day period and the request will be rejected.

(c) The Commissioner shall rule on the request for a finding of eligibility to seek compensation in writing not later than 15 days from the receipt of a complete request.

FINDINGS

UP has complied with the requirements of CCR § 2662.2.

UP represents the interests of consumers, and on these grounds, the Commissioner hereby finds UP eligible to seek compensation in CDI proceedings pursuant to CIC §1861.10.

This Finding of Eligibility is effective May 25, 2017.
